FUR

Design Studio GBS

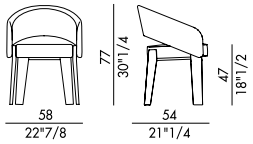

La poltroncina Fur и **poltroncina imbottita** di chiara ispirazione anni Ottanta: il complemento di design in grado di ridefinire il comfort con un'estetica dinamica.
Lo studio GBS ha voluto realizzarla avvolgente come un abbraccio, grazie alle forme generose e alla sua morbidezza: la seduta e lo schienale imbottiti infatti invitano al relax totale, mentre il profilo curvilineo disegna un volume armonioso, pensato per accogliere il corpo con naturalezza.
La poltroncina Fur diventa la soluzione ideale per arredare ambienti sofisticati, in una sala da pranzo o affiancata a tavoli dalle forme scultoree come il Tavolo Giove. Tratto distintivo di questa poltroncina di design и il dettaglio strutturale delle gambe in legno che si inseriscono con sorprendente fluidita tra seduta e braccioli i quali si sviluppano poi in una curva continua, trasformandosi nello schienale semicircolare che avvolge e sostiene. La poltroncina imbottita Fur si presenta quindi come un elemento di design dalla forte personalita, adatta a contesti contemporanei con un richiamo sofisticato al passato.
Un'icona dal carattere deciso, perfetta per chi sceglie un design fuori dal comune senza rinunciare alla comodita.Disponibile in tessuto, ecopelle o pelle.

The Fur armchair is an upholstered chair with a clear Eighties inspiration: a design piece that redefines comfort with a dynamic aesthetic.
Studio GBS envisioned it as enveloping as a hug, with generous shapes and softness: the padded seat and backrest invite total relaxation, while the curving profile outlines a harmonious volume, naturally embracing the body.
The Fur armchair is perfect for furnishing sophisticated settings, in a dining room or paired with sculptural tables like the Giove table.
Its signature detail lies in the wooden legs that flow seamlessly into the seat and armrests, which then curve into a semicircular backrest that wraps and supports.
The Fur upholstered armchair stands out with a bold personality, ideal for contemporary interiors with a refined nod to the

past.
An iconic piece with character, perfect for those who seek unique design without sacrificing comfort.
Available in fabric, faux leather or leather.

FINITURE/*FINISHES*

Attenzione: il prodotto finito può presentare delle lievi variazioni di colore rispetto ai campioni forniti dall'azienda. I colori visualizzati sono puramente indicativi e possono variare rispetto alla realtà. Rivolgersi ad EFORMA o al proprio rivenditore di fiducia per ricevere maggiori informazioni. EFORMA si riserva di apportare modifiche e/o migliorie di carattere tecnico ed estetico ai propri modelli e prodotti in qualsiasi momento e senza preavviso. / *Attention: the final product may show slight variations in colour compared to the samples supplied by the company. The colours displayed are indicative and can vary in reality. Please contact EFORMA or your preferred retailer for more information. EFORMA reserves the right to change and/or apply technical and esthetical improvements to its models and products at any time without any notice.*

Metallo/*Metal*

I metalli della nostra collezione vengono verniciati a polvere così da rivestire le nostre superfici a scopo decorativo e protettivo. Lo spessore finale della verniciatura a polveri, risulta particolarmente elevata contribuendo ad una serie di rilevanti vantaggi sul prodotto verniciato: resistenza meccanica, resistenza agli agenti corrosivi, scarsa infiammabilità, precisione nell'applicazione. Le verniciature a polveri utilizzate sono totalmente atossiche e prive di solventi, per questo motivo la verniciatura a polveri è una lavorazione ECO- FRIENDLY, a bassissimo impatto ambientale. Disponibile la versione cromata dove il metallo o l'alluminio vengono rivestiti di cromo, conferendogli così durezza, resistenza chimica e resistenza all'ossidazione. / *The metals in our collection are powder coated in order to coat our surfaces for decorative and protective purposes. The final thickness of the powder coating is particularly high contributing to a series of advantages for the painted product: mechanical resistance, resistance to corrosive agents, low flammability, precision in the application.The powder coatings used are non-toxic and solvent-free, for this reason powder coating is an ECO-FRIENDLY process, with a very low environmental impact. The chrome version is available where the metal or aluminum is coated with chrome, giving it hardness, chemical resistance and resistance to oxidation.*

Legno/*Wood*

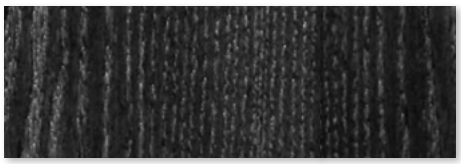

Il legno che viene utilizzato è tra i migliori che esistono sul mercato europeo. Viene lavorato con le migliori tecniche garantendo così resistenza e durata.
The wood which is used is one of the best available in European markets. It is worked with the best techniques guaranteeing resistance and durability.

LEGNO MASSELLO/*SOLID WOOD*

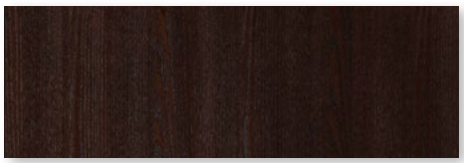

Il legno utilizzato è un materiale di pregio che si caratterizza principalmente per la resistenza all'usura e per l'estetica. Durante il suo ciclo di crescita, sviluppo e maturazione, il legno si evolve nelle sue qualità come il cambio nel colore, nei nodi, e nelle vene. Essendo un materiale vivo, e naturale, può presentare delle variazioni di vene e di tonalità.
The wood used is a valuable material that is mainly characterized by its wear resistance and its aesthetics. During its cycle of growth, development and maturation, the wood's qualities. Evolve showing a change in color, in the knots, and in the veins. Being a living, natural material, it can present variations in veins and shades.
