

[20972]

Comfortably. Elegantly. Can be put together as desired.

*The backs can be folded up **elegantly** with this model to become comfortable headrests. If requested the arm-parts are also adjustable and the sofas can be equipped with the motor seat extension. Different legs in two heights offer a high degree in **comfort**.*

Flexible headrest

The items can be equipped with a step-by-step headrest height

adjustment function for upcharge.

Item no. = KV1, KV2, KV3.

**Flexible armparts**

The armparts are foldable and fitted with notch function for an upcharge.

Item no. = SV1, SV2.

**Extendible lying surface**

Some items can be fitted with the seat extension in return for an upcharge. The

total depth extends. The sensor touch button is located in the middle under the back cushion. Item no. = A02.

**Leg and seat heights**

The model is available in different seat and back heights according to

the different leg heights. The leg design has to be indicated.

**Castors for ottomen**

The ottomen can be equipped with castors for upcharge. Two of the castors

can be fixed. Thus a comfortable, big couch surface arises.

**Order information****Flexible armparts:**

A maximum load-bearing capacity up to 25 kg is guaranteed for the functional armrests. They are not made for sitting on.

Back sides of sofas:

All pieces are genuinely upholstered at the back.

Positioning diagram:

Please send us a positioning diagram, depending on the many different variations available. We have marked the connecting sides in red for end elements in the type guide.

Connecting sides:

For an upcharge, the connecting sides can be supplied in the original cover instead of stretch fabric.

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

Recommendation:

We recommend the tables from the model range 40024 as an accessory. As storage place onto the ottomen we recommend the plexiglass cover L010 or a roll mat from model range 10006.

All of the dimensions given are approximate dimensions in cm. We reserve the right to make changes. Dimensions are given as follows: width/depth/height/seat height. The measures refer to the leg height ca. 13 cm. The depth measures contain protruding of the overlapping headrest, if the headrest is folded backwards.

Seat depth: ca. 57 cm

Seat depth with seat extension:

ca. 77 cm

Total depth with seat extension:

ca. 128 cm

Height, if headrest up: ca. 94 cm

Seat height: ca. 44/46 cm

Model-specific qualities:

The upholstery of this model has intentionally been made loosely to create a certain visual effect. This is not a quality defect but a model-specific characteristic that guarantees optimum seat comfort.

Chromatic aberrations:

The wooden structure is different from ordering to ordering. Deliveries after colour samples are basically excluded from complaints and exchange. We take care of the best correspondence possible.

Order checklist

- Structure and cover
- Leg design/-height
- Leg colour with wood/metal legs
- Flexible armparts (upcharge)
- Manually headrest adj. (upcharge)
- Seat extension (upcharge)
- Ottomen/panel for ottomen (order information)
- Castors for ottomen (upcharge)
